RE: Notice of Application to Modify a Mine Operating Permit
Mine Permit # I-000104 | Rock Hill Quarry | York County

Martin Marietta Materials, Inc. has applied to the South Carolina Department of Environmental Services (SCDES) to modify their permit to mine granite. The operator is proposing to add approximately 410 acres to the permit. Tax records from York County show you own property next to the land where the mine will be located or within one-half mile of blasting.

A notice of this request is being advertised in the *Rock Hill Herald* newspaper. As a landowner of property in the area of the proposed site, SCDES is sending you a copy of this advertisement (see back of page). For more information concerning this application, please visit the SCDES webpage at:

<https://scdhec.gov/publicnotice>

At this time SCDES is reviewing the application and the information in the application may change during this process. No decision has been made concerning this application request. If you cannot get information from the webpage, if you need any additional information, or have questions about the application, please call (803) 898-7609, email Jeremy.Eddy@des.sc.gov, or write to:
