# RBC Member Introductions

- Name, organization and role, and interest category you represent
- Why did you decide to serve on the RBC and support the river basin planning process?
- How familiar are you with the river basin planning process?
  - 1 – **Not very familiar with it** but eager to learn!
  - 2 – **Somewhat familiar with it** – I've been following the process from a distance and have skimmed through the Planning Framework
  - 3 – **Very familiar with it** – I've attended or listened in on other RBC meetings and have read and understand the Water Planning Framework
- One thing for fellow RBC members to remember you by
