RE: NPDES General Permit # SCG731699  
River Bend Aggregates, LLC/ River Bend Quarry  
Spartanburg County

Dear Will Glusac:

A Notice of Intent for coverage under a general NPDES Permit was received on November 8, 2023. Your facility has been assigned General NPDES Permit number SCG731699. All correspondence should reference this General NPDES Permit number. A copy of the General Permit for Discharges Associated with Nonmetal Mineral Mining Facilities is available at: [SCDES General NPDES Permits](#). You are responsible for complying with the conditions of this permit. This facility is required to submit Discharge Monitoring Reports (DMRs). The DMRs and the associated DMR letter are enclosed.

In addition to this NPDES general permit coverage, this project may be required to obtain other permits before mining may begin. Mines, other than borrow pits for SC DOT or SC Ports Authority projects, are required to obtain a mine operating permit. Mine operating permits are issued through the Division of Mining and Solid Waste Management in the Bureau of Land and Waste Management. If you have questions concerning the mine operating permit process, contact Mr. Jeremy Eddy at (803) 898-7609.

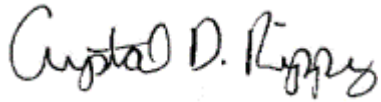

When you begin construction of this new mine, please inform the SCDES stormwater inspector for the SCDES Region in which the mine is located. To obtain the telephone number, please click on the correct Region at the following link. [SCDES Local Offices](#).

General Permit coverage is effective on July 11, 2024. S.C. Code Ann. § 48-6-30(D)(2) provides, "Within thirty calendar days after the mailing of a decision [pursuant to S.C. Code Ann. § 48-6-30(D)(1)], an applicant, permittee, licensee, certificate holder, or affected person desiring to contest the department decision may request a contested case hearing before the Administrative Law Court, in accordance with the Administrative Procedures Act."

If you have any questions about the technical aspects of this permit, please contact Brett M Caswell at 803-898-4396. Information pertaining to adjudicatory matters may be obtained by contacting the Legal Office, SCDES, 2600 Bull Street, Columbia, SC 29201, or by calling them at (803) 898-3350.

RE: NPDES General Permit # SCG731699  
River Bend Aggregates, LLC/ River Bend Quarry  
Spartanburg County

Dear Will Glusac:

Enclosed are your new Discharge Monitoring Report (DMR) Forms (Form #3320-1). These DMR Forms correspond to the online DMR(s) for the above-referenced facility's Certificate of Coverage issued July 11, 2024, with an effective date of July 11, 2024.

Please check the limits and monitoring requirements preprinted on the forms to confirm that they correctly reflect the NPDES General Permit conditions applicable to your discharge(s). Please notify me of any errors, and I will provide new forms with the errors corrected.

DMR submittal requirements – Please refer to Page 18, PART IV.B.6 of the General Permit for submittal requirements. Effluent monitoring results obtained at the required frequency shall be reported on a Discharge Monitoring Report Form. The completed DMR must be submitted using the electronic DMR system via ePermitting no later than 11:59 PM on the 28th day of the month following the end of the monitoring period. If the permittee encounters technical difficulties using the electronic DMR system, contact SCDES for technical assistance at [epermittinghelp@des.sc.gov](mailto:epermittinghelp@des.sc.gov). Please contact the Compliance Manager for your permit to obtain approval to submit paper DMRs until the technical issue is resolved.

If you have any questions concerning the DMR forms, please contact me at 803-898-4232. If you have questions about the permit, call Brett M Caswell at 803-898-4396.

Sincerely,

A handwritten signature in cursive script that reads "Patty Barnes".
