***During the reporting period, Water Pollution Enforcement and Drinking Water Enforcement entered into one Joint Consent Order. Water Pollution Enforcement is credited with the Order.**

ANALYSIS: During the reporting period, Hazardous Waste Enforcement entered into a Consent Order with TransGlobal Trucking (Respondent), a hazardous waste transporter for multiple hazardous waste violations. The Respondent is required to handle universal waste in

accordance with the regulations and ensure wastes are not improperly discharged into the environment. A civil penalty in the amount of ninety five thousand dollars (\$95,000.00) was assessed.

Drinking Water Enforcement entered into twelve (12) Consent Orders of which eleven (11) were for violations of the Public Swimming Pool Regulations. Total civil penalties were assessed in the amount of twenty thousand sixty dollars (\$20,060.00).

Air Quality Enforcement entered into a Consent Order with Lincoln Oil Company, Inc. (Respondent). The Respondent is an ethanol distributor and owns and operates or has operated several sites around South Carolina. The Respondent failed to submit the application for the Title V Operating Permit for the Belton Youth Center Terminal within 12 months of becoming subject to the regulations. Also, construction began at the North August Terminal, the Williamston Site, the Belton Youth Center Terminal, the Belton Rail Yard and the Monetta Rail Yard before the Respondent had a construction permit. Written notification of the actual date of initial start-up was also not provided to the Department. To comply with the Order, the Respondent must obtain necessary permits prior to beginning construction of any sources of air contaminants and submit required notifications. A civil penalty in the amount of twenty four thousand five hundred dollars (\$24,500.00) was assessed.
