Re: Reinspection of Dam D-3701, Busbee Pond Dam, Orangeburg County

Dear Mr. and Mrs. Williamson:

As you are aware, this office performed a routine inspection of Busbee Pond Dam on June 26, 2008. The dam appears to be in satisfactory condition and functioning properly. Enclosed you will find an inspection report which summarizes any comments or concerns which we have.

Also enclosed is a copy of the Emergency Notification and Surveillance Plan. Please keep this in an easily accessible location so that all agencies can be notified as quickly as possible should the dam ever experience difficulty.

Provisions in the S.C. Dams and Reservoirs Safety Act require you to notify us within 30 days after transferring title or control of this dam to someone else. Enclosed is a form for your use should this transfer be necessary. Please note that this notification must include the name and address of any new owner.

Busbee Pond Dam will be inspected again in three (3) years. If you need any assistance or have any questions prior to the next inspection, please do not hesitate to contact us at (803) 641-7670.

Sincerely,

Eric Owens
