RE: Reinspection of Dam D-0545, Crescent Lake Dam, Richland County

Dear Mr. Inman:

On Wednesday, May 24, 2000, I conducted a routine reinspection of the above referenced dam. I am enclosing a copy of the inspection report on the dam. Any deficiencies are listed on the inspection report.

The telephone numbers on the Emergency Notification Plan have not been verified. Please contact me as soon as possible to update this information. Should the dam experience difficulty, you should contact all of the numbers on the plan. The agencies listed on the plan can provide assistance in blocking roads and doing other things that need to be done in the event of an emergency.

Provisions in the SC Dams and Reservoirs Safety Act require the owner to notify us (SC DHEC) within thirty (30) days after transferring title or control of a dam to someone else. The notification must include the name, address and telephone number of the new owner. I am enclosing a blank form for your use in notifying us should control of your dam be transferred.

You will be notified when the next reinspection of this dam is scheduled.

Sincerely,

Kendrick R. Chiles
District Engineer Associate
Central Midlands EQC District Office

INSPECTION REPORT

Date May 24, 2000

Dam D-0545, Crescent Lake Dam

Representatives of SCDHEC Present: Kendrick R. Chiles

Representatives of Owner Present: None

Others Present: _____

List of noted deficiencies or items requiring correction/checking:

* All vegetation (brush, weeds, ect.), dead trees, stumps, limbs, and small trees (less than 6" in diameter) should be cut and removed from the dam.

* Erosion on dam should be monitored closely. If erosion continues, action should be taken to correct this problem.

NOTE: Dam should remain clear of vegetation year round.

List of previously noted items still uncorrected and dates previously noted:

The above * were previously noted in June 1997.
