RE: Fourth Semi-Annual Surface Water Assessment Report  
SCE&G Fleet Maintenance Site (Congaree River)  
Columbia, South Carolina

Dear Mr. Biery,

The State Voluntary Cleanup Program received the Fourth Semi-Annual Surface Water Assessment Report on July 3, 2019. The Department has reviewed the report and approves the report as submitted. The Department accepts the recommendation to modify the sampling program to an annual basis. Please give the Department a five-day notice of the start of the sampling event. The next assessment report will be due to the Department by July 1, 2020.

Sincerely,

  
Greg Cassidy  
State Voluntary Cleanup Program  
Bureau of Land and Waste Management
