Notice Date: January 3, 2024
End of Comment Period: February 23, 2024

Permit Applicant: Vulcan Construction Materials, LLC - Orangeburg Quarry
1095-1135 Addidas Street

Site Location: Eutawville, South Carolina
Orangeburg County

Air Permit Number: CP-50000132 v1.0
Agency Air Number: 1860-0165

BAQ Permit Writer: Mareesa J Singleton

Vulcan Construction Materials, LLC - Orangeburg Quarry has applied to the Department for an air construction permit for a new greenfield limestone quarry and 600 tons per hour processing plant.

A draft permit and draft statement of basis have been written outlining this proposed project and applicable regulations. This permit will enable the facility to construct and operate in compliance with state and federal air quality regulations. The draft permit has not yet been approved and is open to comment from the public, and the United States Environmental Protection Agency (EPA).

Emissions generated by this facility as a result of the proposed project will include:

- Particulate Matter (PM),
- Particulate Matter less than 10 micrometers in diameter (PM₁₀),
- Particulate Matter less than 2.5 micrometers in diameter (PM_{2.5}),

If approved, and upon issuance of the draft construction permit, the facility may obtain coverage under the General State Operating Permit for Nonmetallic Mineral Processing Plants from the BAQ with no additional public comment period.

Notice of Public Meeting and Hearing:

The Department will hold a **public meeting on Thursday, February 8, 2024, at 6:00 P.M.** to answer questions on the proposed project. A **public hearing will follow at 7:00 P.M.** to accept written and verbal comments on the proposed project. The meeting and hearing will be held at the **Eutawville Community Center** (419 Porcher Avenue, Eutawville, SC 29048). Doors will open at 5:30 P.M. to facilitate the sign-in process and provide an opportunity to meet DHEC staff.

For additional information about the proposed quarry, public meeting, and public hearing, please visit our webpage at www.scdhec.gov/OrangeburgLimestoneQuarry.

PUBLIC NOTICE
Draft Air Minor Construction Permit

The public meeting is informal and provides an opportunity to have a discussion with DHEC staff about the quarry and environmental permitting process prior to giving comments at the public hearing. The meeting will begin with a DHEC presentation followed by a time to ask questions.

The public hearing is formal and provides an opportunity to make oral comments that will be heard by DHEC staff and recorded by a court reporter. **There will be no questions and answers during the public hearing.** DHEC values each participant's involvement in the public hearing and will conduct it in a respectful, orderly manner with reasonable limits on the length of comments, if necessary.

Individuals with disabilities who wish to participate in the public meeting and/or hearing or review the proceedings should contact **Monica Taylor at 803-898-7678, or by email at taylormn@dhec.sc.gov** as soon as possible prior to the hearing to discuss any auxiliary aids or services needed.

Interested parties may review the draft permit, draft statement of basis, modeling summary, and permit application at the Department's Columbia Office, or on the Department's website at: <https://epermweb.dhec.sc.gov/ncore/external/publicnotice/info/-7214857263234048357/details> and submit comments on the draft permit by the end of the public notice period listed above.

Comments must be received no later than the above mentioned "End of Comment Period" date and can be submitted through one of the following methods:

- Website (<https://epermweb.dhec.sc.gov/ncore/external/publicnotice/info/-7214857263234048357/details>).
- Postal mail to Bureau of Air Quality, Air Permitting Division Director, 2600 Bull Street, SC 29201
- Email at AirPNComments@dhec.sc.gov

Comments should specify, in as much detail as possible, the air quality related issues and identify the portion(s) of the state and/or federal air quality regulations that are of concern and have not been adequately addressed in the draft permit. All comments received by the end of the notice period (Should the comment period end on a weekend or state holiday, comments will be accepted up until close of business the next working day), will be considered when making a decision to approve, disapprove, or modify the draft permit. Please bring this notice to the attention of persons you know will be interested in this matter.

Where there is a significant amount of public interest, the Department may hold a public hearing/meeting to receive additional comments. Public hearing/meeting requests should be made to the Director of Air Permitting Division at 2600 Bull Street, Columbia, SC 29201 or through the Department's website (<https://epermweb.dhec.sc.gov/ncore/external/publicnotice/info/-7214857263234048357/details>). Any requests for a public hearing/meeting must be made within the 30-day public comment period. If a public hearing is requested and scheduled, notice of said public hearing will be given thirty (30) days in advance.

Copies of a draft permit or other related documents can be made for a fee by contacting the Freedom of Information Office (803-898-3882).
