RE: Modified Removal Action Work Plan
SCE&G Fleet Maintenance Site (Congaree River)
Columbia, South Carolina

Dear Mr. Biery:

The Department received the Modified Removal Action Work Plan and Appendices A-K from Dominion Energy on April 4, 2022. The Department received Appendices L-P on May 18, 2022. The Work Plan and Appendices is a compilation of plans and drawings that have been updated from previous versions that have previously been approved by the Department. The Department approves the Modified Removal Action Work Plan as submitted.

If you have any questions, feel free to contact me at (803) 898-0910 or cassidga@dhec.sc.gov.

Sincerely,

Greg Cassidy, Project Manager
State Voluntary Cleanup Program
Division of Site Assessment, Remediation, and Revitalization
Bureau of Land and Waste Management
